

MARCET COVID FREE

Marcet complies with all the regulations of the Spanish and European health authorities in all the contexts of FOOTBALL TRAINING ACTIONS and their complementary activities such as airport transfer, residence, dining room, locker rooms, bus transport and so on. The rules and regulations are very extensive and detailed, so we summarize them in these key points.

- 1. Accompanying people.**
Entrance, exit and stay with mask.

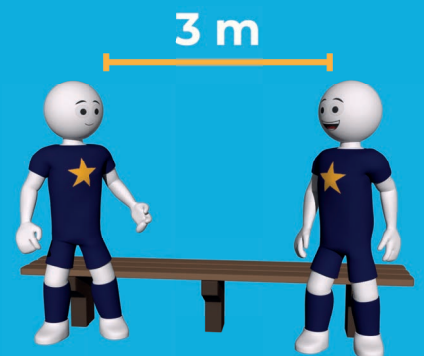

100 m²

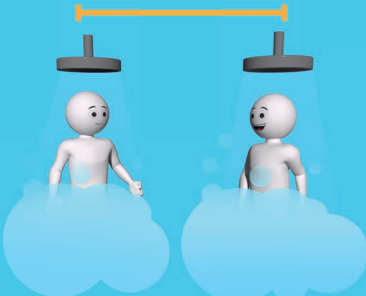

- 2.** Minimum living space of 100 m² per student during sports field training.

- 3.** Minimum living space in locker rooms.

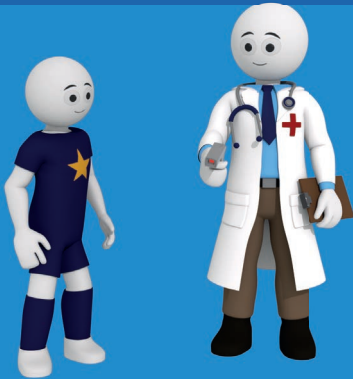

2 m

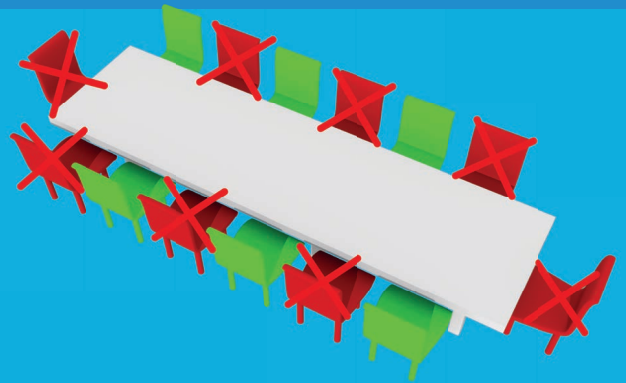

- 4.** Minimum living space in the showers.

5. Minimum living space in the pool.

6. Daily health check.

7. **Dining room living space.**
Distance of 1 m between tables.
Cleaning and disinfection after
each use.

8. **Hydration.**
Students must have their own water
bottle or similar.

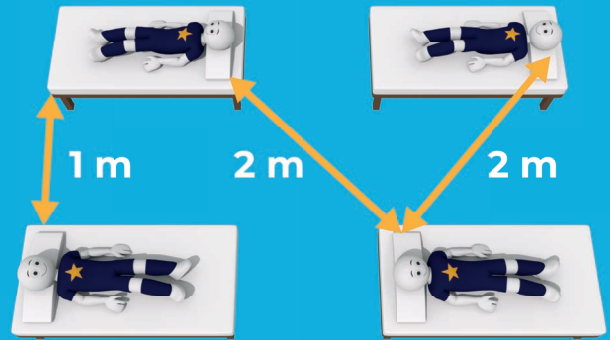

9. Masks are compulsory in certain activities and situations of daily life. Not during training sessions. Students must have their own mask for the entire course.

10. Hydroalcoholic gel at strategic points in the facilities.

11.

Residence.
Minimum living space between beds
and asymmetrical distribution.

12.

Laundry.

Washing at a temperature higher than 60°. Use of special disinfectant COVID 19 "SANIPLUS". Each student has their own laundry bag, which they must bring from home.

13.

Bus.

Compulsory use of mask.
Disinfection after each service.

14.

Airport transfer.

Two passengers per seat row and separated. Compulsory use of mask. Disinfection after each service.
